CERTIFICATE

(Issued September 21, 2000)

On June 28, 2000, ServiSense.com, Inc. (ServiSense), filed an application for issuance of a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29 (1999), stating its intention to provide local exchange services in the exchanges and service areas of Qwest Corporation, f/K/a U S WEST Communications, Inc., and Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom, successor to GTE Midwest Incorporated. ServiSense states that it concurs in the maps of the exchanges and service territories of the two companies on file with the Utilities Board (Board) as the maps are today and as the maps may be changed in the future. The exchanges of these two companies become the service territories covered by the certificate application.

ServiSense filed proposed tariffs on June 28, 2000, identified as TF-00-161. ServiSense filed revisions to the tariffs and requests for waivers of 199 IAC 16.5(2), 18.2 and 22.3(1), on July 17, 2000. An order approving ServiSense's application,

approving its concurrence in Qwest's and Iowa Telecom's maps, approving waivers, and approving the tariffs is being issued simultaneously with this certificate.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (1999), authorizes ServiSense.com, Inc., to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
